

BETA GLASS GRADUATE SUPPORT PROGRAM - 0033

Purpose

Beta Glass is offering a unique opportunity for young Nigerian Engineering graduates to kick start their careers by enrolling in our Beta Glass Graduate Support Program (BGSP).

The successful candidates will be exposed to an intensive 12-months practical training and work experience in a world class Glass Manufacturing Environment at our Ughelli factory in Delta State.

Eligibility Criteria

- Bachelor of Science (B.Sc.) Degree or Higher National Diploma (HND) in Mechanical, and Electrical/Electronic Engineering from a recognized tertiary institution.
- Minimum of Second-Class Division/ Credit
- Must not more than 26 years of age
- Must have completed NYSC and have not more than 2 years' work experience
- Application closes two weeks from date of this publication
